

SplashPipe VIP™

Open a personalized desktop Virtual-Interactive-Portal directly on any computer in the world

Superior Content Marketing Solutions: Storytelling, Professional Development, and Training

SplashPipe VIP™ Advantages:

- Manage knowledge, rather than just publish passively (*Content Marketing framework*)
- Convey non-verbal communication in engaging high fidelity
- Create a communication pipeline for mentorship
- Maintain global reach with secured timely updates to ensure consistent information
- Provide secured transmission and secured authorization/authentication
- Activate and use easily on any computer
- Create sufficient experience so a person begins to practice new strategies that become routines; and the repetition of those initiatives can become generalized
- Engage time dynamics of singular and ordered activities (*monochronic*) as well as time dynamics of multiple activities that may incur interruptions (*polychronic*)
 - Maintain personal involvement and relationships rather than relying on uniform and linear patterns of time schedules and appointments
 - Execute *engagement-based prescriptions™* to provide structure within polychronic dynamics

SplashPipe VIP™ Features:

- Individual addressability: *personalize access rather than "search a library"*
- Push and pull communication: *dynamic control beyond traditional "wait and see"*
- Any digital package: *handle any combination of dynamic messaging (e.g., video, audio, pictures, text, and/or web sites)*
- Full fidelity over any bandwidth: *including high-fidelity video over dial-up*
- Artificial intelligence engine: *activity management to "know and control" (e.g., who, what, when, how much, and how long)*
